Clarke said NFAC is increasing its attentiveness to Soviet activity in Afghanistan in light of reports of increased transport aircraft at Fergana. He added that he had asked OSR to pull together data on Thailand's land, sea and air forces and the effectiveness of same in the event of hostilities with Vietnam. []

25X1

Hitz said that at the Appropriations Conference last week the House receded on 10 of the 12 items we had appealed and noted that following the meeting attendees could pick up a spread sheet reflecting the outcome. []

25X1

May said that he would be scheduling a meeting today or tomorrow with heads of career services in response to the Director's request at last week's Executive Committee meeting for greater uniformity in our approach to the utilization of personnel panels. []

25X1

Noting Secretary Brown's letter of 5 December to the Director, [] said that by 12 December he hopes to acquire a Community view on the impact of [] on SALT monitoring confidences. []
